This appointment shall extend to, but not be limited to, health care decisions relating to medical treatment, surgical treatment, nursing care, medication, hospitalization, care and treatment in a nursing home or other facility, and home health care. The representative appointed by this document is specifically authorized to be granted access to my medical records and other health information and to act on my behalf to consent to, refuse, or withdraw any and all medical treatment, diagnostic procedures, or autopsy if my representative determines that I, if able to do so, would consent to, refuse, or withdraw such treatment or procedures. Such authority shall include, but not be limited to, decisions regarding the withholding or withdrawal of life-prolonging interventions.

I appoint this representative because I believe this person understands my wishes and values and will act to carry into effect the health care decisions that I would make if I were able to do so, and because I also believe that this person will act in my best interest when my wishes are unknown. It is my intent that my family, my physician, and all legal authorities be bound by the decisions that are made by the representative appointed by this document, and it is my intent that these decisions should not be the subject of review by any health care provider or administrative or judicial agency.

It is my intent that this document be legally binding and effective and that this document be taken as a formal statement of my desire concerning the method by which any health care decisions should be made on my behalf during any period when I am unable to make such decisions.

In exercising the authority under this medical power of attorney, my representative shall act consistently with my special directives or limitations as stated below.

I am giving the following SPECIAL DIRECTIVES OR LIMITATIONS ON THIS POWER: (Comments about tube feedings, breathing machines, cardiopulmonary resuscitation, dialysis, mental health treatment, funeral arrangements, autopsy, and organ donation may be placed here.  LIVING WILL

The Kind of Medical Treatment I Want and Don't Want  
 If I Have a Terminal Condition or Am In a Persistent Vegetative State

Living will made this \_\_\_\_ day of \_\_\_\_\_ (month, year).

I, \_\_\_\_\_, being of sound mind, willfully and voluntarily declare that I want my wishes to be respected if I am very sick and not able to communicate my wishes for myself. In the absence of my ability to give directions regarding the use of life-prolonging medical intervention, it is my desire that my dying shall not be prolonged under the following circumstances:

If I am very sick and not able to communicate my wishes for myself and I am certified by one physician who has personally examined me to have a terminal condition or to be in a persistent vegetative state (I am unconscious and am neither aware of my environment nor able to interact with others), I direct that life-prolonging medical intervention that would serve solely to prolong the dying process or maintain me in a persistent vegetative state be withheld or withdrawn. I want to be allowed to die naturally and only be given medications or other medical procedures necessary to keep me comfortable. I want to receive as much medication as is necessary to alleviate my pain.

I am giving the following SPECIAL DIRECTIVES OR LIMITATIONS ON THIS POWER: (Comments about tube feedings, breathing machines, cardiopulmonary resuscitation, dialysis, mental health treatment, funeral arrangements, autopsy, and organ donation may be placed here. My failure to provide special directives or limitations does not mean that I want or refuse certain treatments).
